

Code of Conduct

It is our desire at Mosaic Academy to assist students and parents in creating a successful learning environment both at school and at home. To facilitate this goal we understand there are two basic principles that will guide our conduct each day. These principles are obedience and respect. These rules of conduct and their consequences apply to all enrolled students while on school property or at a school function.

We ask students and parents to read and discuss the following statements and sign to indicate agreement:

As a student of Mosaic Academy, I agree to be obedient and respectful toward the teachers and students I am in contact with each day. I will obey the instructions of my teachers while at school. I will treat all of the students at Mosaic Academy with honor and respect.

When I disagree with another student or teacher, I will work hard to make peace and reach a compromise or agreement. It is my goal to do all that I can to be at peace with those around me and I will work hard to be forgiving toward others.

I understand that the consequences for choosing to treat those around me with disobedience or disrespect will cause the following actions:

For aggressive acts of disrespect which includes all intentional physical acts toward another student.

1. A warning will be given
2. A break-time will be lost
3. Two breaks will be lost
4. Student will receive in-school suspension
5. At home suspension for time period determined appropriate by teacher and director.

Any act of physical aggression toward a teacher or fellow student will result my immediate removal from the classroom and may result in my being sent home for the remainder of the day. School principal will determine appropriate consequence for physical aggression and discuss said consequence with my parents.

For repeated choices of disobedience:

1. A warning will be given
2. Merits or stickers will be lost
3. A break time will be lost
6. Two breaks will be lost
4. Student will receive in-school suspension
5. At home suspension for time period determined appropriate by teacher and principal.

I have read and understand the Code of Conduct for Mosaic Academy.
