

Media Code of Conduct

I understand that the use of media and technology at Mosaic Academy is a privilege.

I understand that all content, accessed, viewed, or shared while on school grounds must be appropriate in content for all ages.

I understand that if I access content that my teachers or administration deem inappropriate I will lose the privilege of using media and technology for a time determined by my teachers, the administration and my parents. I also understand that the nature of media I access could result in my suspension or expulsion.

I understand that I am accountable outside of school hours for what I post on social media on any platform. Any post that is unkind, bullying, contains nudity or inappropriate content can be grounds for disciplinary action and possible suspension or expulsion.

I have read and understand the Code of Conduct for Mosaic Academy.
